EXPERIENCE

Freelance, UI/UX Designer

Atlanta, GA | Jun 2018 - Present

- ▶ Work directly with clients to understand their overall goals.
- ▶ Provide UX and UI design for web and mobile apps.
- ▶ Help with brand development.
- ▶ Provide training to help clients better understand the importance of user experience.
- ▶ Offer design services from initial concepts to finished designs.

Twenty Over Ten, Web Designer / Developer

State College, PA | Sep 2017 - Jun 2018

- ▶ Designed and developed websites for financial advisors using Twenty Over Ten's content management system.
- ▶ Responsibilities included producing sketches and wireframes, designing user interfaces and providing custom front-end development solutions when necessary.
- ▶ Worked directly with clients to establish project scope, interaction guidelines and project timelines.
- ▶ Collaborated with copywriters to create unique concepts based on the client's advertising and marketing goals.
- ▶ Ensured products met or exceeded client expectations while in alignment with SEC compliance requirements and FINRA regulations.

Force Marketing, Senior Digital Designer

Atlanta, GA | May 2015 - Aug 2017

- ▶ Lead design for the Interactive Team and produced designs for email marketing campaigns, landing pages and digital advertisements for automotive dealers throughout the United States and Canada.
- ▶ Collaborated with the Director of Interactive Marketing to determine strategy and execute design for annual marketing campaigns.
- ▶ Produced wireframes and prototyped design concepts to improve functionality and user experience for Helix; a data-driven marketing platform for automotive dealers.
- ▶ Worked with the Leadership Team to help produce marketing solutions for non-profit organizations including Bright Futures Atlanta and National Pediatric Cancer Foundation.

Brightfire, Web Designer

Lawrenceville, GA | Jun 2012 - Apr 2015

- ▶ Worked alongside the Creative Director to design a wide variety of cross-media projects involving branding, illustrations, wireframing and UI design for startups, music festivals and entertainment companies such as Live Nation, Comedy Central and Cirque du Soleil.
- ▶ Designed marketing materials that adhered to established brand standards and guidelines. Items included digital and prints ads, event signage & passes and large format print items.
